

Lesson 6: Language focus

Activity 2 Reading

Read again. Are the sentences **true** (T) or **false** (F)?

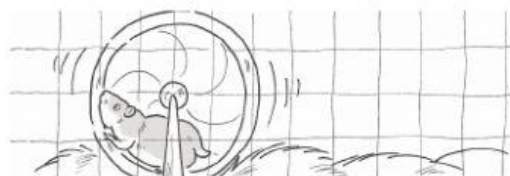

I love my pet hamster! He is so much fun. His name is Teddy because he looks like a teddy bear!

Hamsters are very active. You have to give them lots of exercise. Teddy runs on his wheel every day. He loves it!

I have to clean Teddy's cage once a week. I clean it with soap and water. Then, I put in fresh bedding for him to sleep on.

Hamsters' teeth never stop growing. So, I have to give Teddy something to chew on. This helps to keep his teeth short.

And of course, I have to give him food and water! I give him fresh food and water twice a day, so he is never hungry or thirsty.
