COLLECTIONS

Gary Simpson has got a big collection of sunglasses. He's got sunglasses on his desk, he's got sunglasses in his school bag and he's got two big boxes full of sunglasses in his room. His sunglasses are big, small and lots of colours - black, purple, red, yellow...

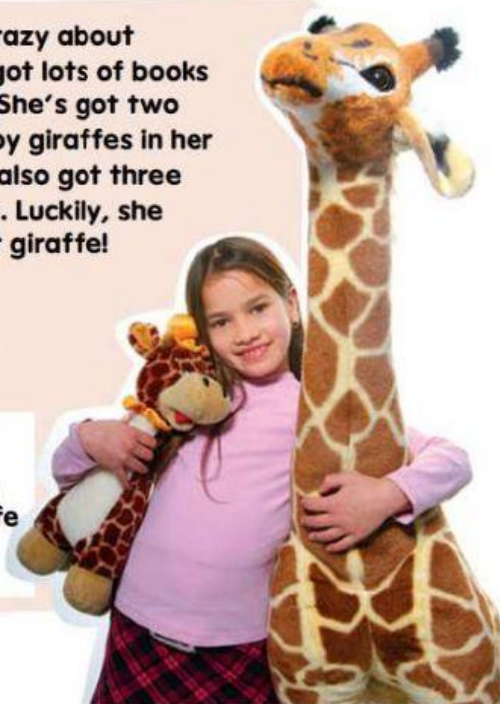

These are Gary's favourite sunglasses. They're orange and they're very cool.

Kate Brown is crazy about giraffes. She's got lots of books about giraffes. She's got two shelves full of toy giraffes in her room and she's also got three giraffe watches. Luckily, she hasn't got a pet giraffe!

This is Kate's favourite mug. It's got a giraffe on it, too! It's nice!
