Naruto and his friends

Naruto Uzumaki was the son of the fourth Hokage, who in Naruto's body locked the nine-tailed fox, for this reason the whole village hated him and ignored him, his dream is to become the Hokage of his village to be respected by everyone in the village of the leaf. among his powers are the shadow clone and razenga.

He has two training partners who are Sasuke Uchiha and Sakura Haruno and his master Kakashi. They are always at odds but they are the best of friends. and they will live many adventures.

Sasuke Uchiha. - Is the last ninja of his clan since his brother killed his entire family by orders of the fifth hokage. The most outstanding powers of the Uchiha is the sharingan and its evolutions that can predict and copy the movements and the Chidori.

Sakura Haruno. - Is the most intelligent of the group, she is a medical ninja, among her powers stand out super strength and healing, and she has a secret love for Sasuke.

Kakashi Hatake. - Is trainer of the Naruto´s team, son of the legendary white fang, this is a ninja of elite his powers come from his eye that was given to him by his best friend in his deathbed and that has the power of the sharingan, he is called the ninja that copies the techniques and he is also the creator of the Chidori technique.
