READING ACTIVITY

Based on the reading, Choose **TRUE** or **FALSE** according to the information and rewrite the incorrect statements:

ECUADOR

General Information

The official name of our country is the Republic of Ecuador. It is the second smallest country in South America, with 256,370 square kilometers. Due to its position on the Equator, our country has incredible biodiversity and wonderful landscapes.

The official language is Spanish. Quichua is spoken by many indigenous nationalities. About ten other native languages are also official in their communities. According to the law, all ancient languages in Ecuador will be respected and preserved.

Ecuador uses the United States Dollar as its currency. The capital city is Quito.

The indigenous population in Ecuador is about 1.1 million people. They are composed of 15 indigenous nationalities. Ecuador voted in favor of the UN Declaration of the Rights of Indigenous Peoples.

About 24.1% of Ecuador's indigenous people live in the Amazon region.
