

Imagine, 1971

John Lennon

Imagine there's no [redacted]
It's easy if you try
No [redacted] below us
Above us only sky
Imagine all the people
Living for today... Aha-ah...

Imagine there's no [redacted]
It isn't hard to do
Nothing to [redacted]
And no religion, too
Imagine all the people
Living life in [redacted] ... You...

CHORUS

You may say I'm a [redacted]
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no [redacted]
I wonder if you can
No need for [redacted] or [redacted]
A [redacted] of man
Imagine all the people
Sharing all the world... You...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one
