| TEAMWORK                                                                                                     | AMAZING JOB<br> | DOING FINE<br> | WORKING ON IT<br> | NOT SO WELL<br> |
|--------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|
| EVERYBODY WORKS<br>         | EVERYBODY WORKED THE SAME AMOUNT.                                                                | MOST TEAMMATES WORKED ENOUGH TO COMPLETE THE TASK.                                              | ONE OR TWO TEAMMATES DIDN'T WORK ENOUGH.                                                             | ONLY ONE OR TWO PEOPLE REALLY WORKED.                                                              |
| WE LISTEN TO EACH OTHER<br> | EVERYBODY LISTENED TO THEIR TEAMMATES AND WE REACHED AGREEMENTS.                                 | EVERYBODY LISTENED BUT WE DIDN'T REACH AGREEMENTS.                                              | SOME TEAMMATES DIDN'T LISTEN AND DIDN'T ACCEPT AGREEMENTS.                                           | WE DIDN'T LISTEN TO EACH OTHER AND DIDN'T REACH AGREEMENTS.                                        |
| WE HELP EACH OTHER<br>      | EVERYONE HELPED EACH OTHER TO WORK.                                                              | SOME TEAMMATES WERE HELPFUL.                                                                    | SOME TEAMMATES DIDN'T HELP OTHERS.                                                                   | WE HAD FIGHTS AND NOBODY HELPED.                                                                   |
| WE HAVE FUN<br>           | WE HAD A LOT OF FUN DOING THE TASK.                                                              | MOST OF US ENJOYED THE TASK.                                                                    | NOT EVERYBODY HAD THE SAME FUN.                                                                      | WE GOT BORED.                                                                                      |
