DIVISION DE UN NUMERO DECIMAL ENTRE UN NUMERO NATURAL

1. Realiza las divisiones siguiendo el modelo del vídeo.

The figure shows two place value charts separated by a vertical green line. The left chart is for the number 108.5 and the right chart is for 31. Each chart has columns for ones, tens, and hundreds, with a decimal line between the ones and tenths columns.

108.5	31
100 0 8 5	30 1

The blocks are represented as follows:

- 108.5:** 1 hundred block, 0 tens blocks, 8 ones blocks, and 5 tenths blocks.
- 31:** 3 tens blocks and 1 ones block.

38,95 41
