

READING ACTIVITY

NAME _____

Read and match the lunch boxes with the students.

1. Will: I love biscuits but not in my lunch box I usually have a banana and some water. I have a sandwich, too. I sometimes have some chocolate, but I never have crisps. I don't like them...

2. Mark: I don't have any snacks in the morning. I always do sport in the afternoon, so I don't have a big lunch. I like cereal bars and some yoghurt and a sandwich. My drink is usually orange juice...

3. Anna: I like chocolate biscuits but they're bad for you. For lunch I have a sandwich and some fruit- an orange and an apple or banana. I like cereal bars for a snack at eleven o'clock, too. I always have water with my lunch.
