

## Prefixes

Prefixes in-, mis-, pre-

**Exercise 1: Classify the words where they belong.**

**Input – Preset -- Mislead -- Pretest – Indoors -- Mismatch**

| Words with in- | Words with mis- | Words with pre- |
|----------------|-----------------|-----------------|
|                |                 |                 |
|                |                 |                 |

**Exercise 2: Choose the correct prefix for each word.**

-spell

-place

-view

-correct
