

Volumen de una pirámide

Fórmula

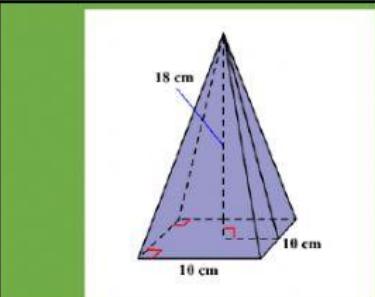

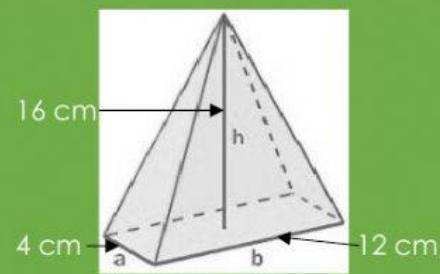

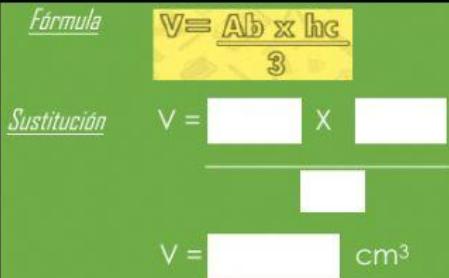

$$V = \frac{Ab \times hc}{3}$$

Sustitución

$$V = \underline{\hspace{2cm}} \times \underline{\hspace{2cm}}$$

$$\underline{\hspace{2cm}}$$

$$V = \underline{\hspace{2cm}} \text{ cm}^3$$

Fórmula

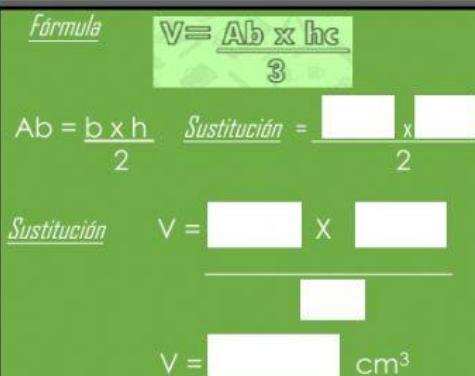

$$V = \frac{Ab \times hc}{3}$$

Sustitución

$$V = \underline{\hspace{2cm}} \times \underline{\hspace{2cm}}$$

$$\underline{\hspace{2cm}}$$

$$V = \underline{\hspace{2cm}} \text{ cm}^3$$

Altura del triángulo de la base
5 cm
