Read the passage and then answer the following questions:

WHALE

Whales are large animals. They breathe air and produce milk for their young. They can swim fast. Whales live in oceans and seas. They cannot breathe underwater. They must come up to the surface of the water to get air. They make sounds to talk to each other.

Circle the correct answer

4 001 6 11	■ 10 000000 0 ■
