

COME FROM...

- Wood is a _____
- Paper is a _____
- Glass is a _____
- Linen is a _____
- Plastic is a _____
- Leather is a _____

PROPERTIES

The 3 R's

Use materials. Instead of throwing them away. Or pass the materials on to others that could use them.

Is to make something smaller or use less, resulting in less waste.

You can reduce waste by selecting products that are packaged simply.

Occurs when you save and take reusable materials to recycling centers where they can be remade.

Heavy

Light

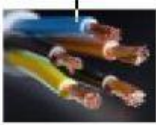

FLOAT

SINK
