

WHAT'S FOR BREAKFAST?

1) What do you usually have for breakfast? (Što obično doručkujete?) **What did you have for breakfast today?** (Što ste danas doručkovali?) **What do you like for breakfast?** (Što volite doručkovati?)

Prisjetimo se i naučimo nešto više o nazivima dnevnih obroka:

breakfast - doručak

a snack - užina, međuobrok (marenda, gablec)

lunch - ručak

dinner - večera (obično glavni obrok u danu)

supper - lagana, kasnija večera (ako je glavni obrok bio ručak)

2) Pogledajmo i poslušajmo video-priču. Prije slušanja, pročitajte četiri pitanja u 1. zadatku na stranici 78 u udžbeniku. Nakon slušanja, zapišite u bilježnicu naslov **What's for breakfast** i zatim napišite odgovore na ta četiri pitanja.

6) REMEMBER (UPAMTI): Kada želimo reći da nešto volimo (da nam se sviđa) kažemo **I like**. Kada nešto ne volimo (ili nam se ne sviđa) kažemo **I don't like**.

Što vi volite, a što ne volite od hrane? Riješite 7. zadatak na stranici 82. u udžbeniku. Dopunite s **like** ili **don't like**.
