

# MATEMÁTICAS

## DIVISIÓN EXACTA E INEXACTA

- Resuelva las siguientes operaciones matemáticas.

1

|    |   |   |   |  |
|----|---|---|---|--|
| 38 | ÷ | 4 | = |  |
|    |   |   |   |  |
|    |   |   |   |  |

Es una división: \_\_\_\_\_

Comprobación

|  |  |
|--|--|
|  |  |
|  |  |
|  |  |
|  |  |

2

|    |   |   |   |  |
|----|---|---|---|--|
| 59 | ÷ | 6 | = |  |
|    |   |   |   |  |
|    |   |   |   |  |

Es una división: \_\_\_\_\_

Comprobación

|  |  |
|--|--|
|  |  |
|  |  |
|  |  |
|  |  |

3

|    |   |   |   |  |
|----|---|---|---|--|
| 64 | ÷ | 8 | = |  |
|    |   |   |   |  |
|    |   |   |   |  |

Es una división: \_\_\_\_\_

4

|    |   |   |   |  |
|----|---|---|---|--|
| 29 | ÷ | 3 | = |  |
|    |   |   |   |  |
|    |   |   |   |  |

Comprobación

|  |
|--|
|  |
|  |
|  |
|  |
|  |

Es una división: \_\_\_\_\_

- Observa y escribe en los recuadros los términos de la división.

5

Cociente   Residuo   Dividendo   Divisor

The board displays the following content:

$15 : 5 = 3$   
 $\underline{-15}$   
 $0$

Red arrows indicate the mapping of terms to the division components:

- An upward arrow from the top box to the dividend (15).
- A leftward arrow from the left box to the divisor (5).
- A rightward arrow from the right box to the quotient (3).
- A rightward arrow from the bottom box to the remainder (0).
