- a. Read the text and order the words to make questions.
b. Answer the questions on the space next to them.

SPIDERMAN'S BIRTHDAY!

It was a sunny and beautiful day. Spiderman **walked** home from work. A big horrible monster **attacked** the New York City. It was a huge octopus. It **captured** a school. However some students **escaped** and called Spiderman. Spiderman jumped to a wall and kicked the octopus in his eye. However octopus was strong and continued fighting. Finally the Spiderman **used** his web and **tied** the octopus. Spiderman **saved** everyone, so he was really tired.

He **stopped** near his home and **opened** the door. Suddenly, Batman and Wonder woman **jumped** and **shouted** "Happy birthday Spidey!!!" Spiderman was really surprised. All his friends were there. It was his birthday party. He **received** many gifts. He **received** a new powerful gun from Iron man, a sword from Wonder woman, a motorcycle from Captain America and cards from Joker. It was a great party. They **played** cards, **talked** and **laughed** all night! Spiderman was really happy!
