

HAPPIER

Lately, I've been, I've been thinking
I want you to be _____, I want you to be _____

When the _____ comes
When we see what we've become
In the cold light of day we're a flame in the _____
Not the fire that we've begun
Every argument, every _____ we can't take back
'Cause with the all that has happened
I think that we both know the way that this _____ ends

Then only for a _____
I want to change my mind
'Cause this just don't feel right to me
I wanna raise your spirits
I want to see you _____ but
Know that means I'll have to _____
Know that means I'll have to _____
Lately, I've been, I've been thinking
I want you to be _____, I want you to be _____

When the evening falls
And I'm left there with my thoughts
And the _____ of you being with someone else
Well, that's eating me up inside
But we run our course, we pretend that we're okay
Now if we jump together at least we can swim
Far away from the wreck _____ made

Then only for a _____
I want to change my mind
'Cause this just don't feel right to me
I wanna raise your spirits
I want to see you _____ but
Know that means I'll have to leave
Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be _____, I want you to be _____

So I'll _____, I'll _____

I will go, go, go

So I'll _____, I'll _____

I will go, go, go

Lately, I've been, I've been thinking

I want you to be _____, I want you to be _____

Even though I might not like this

I think that you'll be happier, I want you to be happier

Then only for a minute (only for a minute)

I want to change my _____

'Cause this just don't feel right to _____

I wanna raise your spirits

I want to _____ you smile but

Know that means I'll have to leave

Know that means I'll have to _____

Lately, I've been, I've been thinking

I want you to be happier, I want you to be happier

So I'll _____, I'll _____

I will go, go, go
