Questions to consider:	Analyze, how COVID-19 has affected my daily life?
Extended Activity:	Write down on my notebook, how do I feel about COVID-19 impact in my daily life activities?
Delivery Date:	14-05-2021

3. Putting into practice what I have learned: Self-Regulation and Self- Assessment.
Write down the list of evidences you have accomplished according to the tasks assigned by the teacher. Mark with an x below the icon that shows the state of the evidence.

Evidences		
What did you do to achieve the objective? (the student writes what he/she has accomplished and also what she/he failed, according to the teacher instructions in each task)		
Mark with an X on the icon that answers the following questions.		
Did I read the instructions carefully?		
Did I use the dictionary or asked a relative about the meaning of the words that I didn't understand?		
I checked my self-study guide to make sure that everything is complete.		
I feel satisfied with the work I did.		
What was the favorite part of this work? Explain		
1-		

I self -assess what I did when I finish the study guide.

Mark with an X according with the level of achievement you have reached

Indicator	Level of performance		
	Beginner	Intermediate	Advanced
I identify daily life activities through pictures.	I'm not able to identify daily activities	I identify some of the activities	I fully identify the daily activities
I recognize simple written structures.	I'm not able to connect parts of speech	I'm able to connect some part of speech	I fully connect parts of speech to create meaning
I express feelings about the impact of COVID-19 in my daily routines.	I'm not able to express feelings about my daily situations	I rarely express some feelings about my daily situations	I don't have problems expressing my feelings about my daily situation
