

You Shook Me All Night Long

AC/DC

(Song suggested by Bruna Faglioni)

She was a fast _____

She xx her motor clean

She was the best dang woman that I
ever seen

She had the _____ eyes

Telling me no lies

Knocking me out with those
American thighs

Taking more than her share

Had me _____ for air

She told me to come, but I was
already there

'Cause the walls start shaking

The earth was quaking

My mind was _____

And we were making it

Now I'm back in the ring to take

another _____

'Cause the walls were shaking the
earth was _____

My mind was aching

And we were making it

[chorus]

And you shook me all night long

Yeah, you shook me all night long

It knocked me out I _____ you

Shook me all night long

You had me shaking and you

Shook me all night long

Yeah, you shook me

When you took me

[chorus]

And you shook me all night long

Yeah, you shook me all night long

Working _____ time on the
seduction line

She's one of a kind, she's just mine,
all mine

Wanted no applause it's just another
course

Made a _____ outta me

And come back for more

Had to cool me down to take another
round

[Guitar Solo]

[chorus]

You really took me and you

Shook me all night long

Ah, you shook me all night long

Yeah, yeah, you

Shook me all night long

You really got me and you

Shook me all night long

Yeah, you shook me

Yeah, you shook me

All night long
