

“NEXT TO ME”

By Emely Sandé

1. Listen to the song and fill in the gaps

You _____ find him drinking at the table
Rolling dice or staying out 'til three
You _____ ever find him be unfaithful
You _____ find him; you'll _____ him next to me

You won't find him tryna chase the devil
For _____, fame, for _____, out of greed
You _____ ever find him where the rest go
You will find _____; you'll find him _____ to me

Next to me – ooh hooo (X3)
You will find him; you'll find him next to me

When the money's spent and all my _____ have vanished
And I can't seem to find no help or love for free
I know there's no _____ for me to panic
Cause _____ find him, I'll find him next to ____.

When the skies are grey and all the _____ are closing
And the rising pressure makes it hard to breathe
When all I need's a _____ to stop the tears from falling
I will find him; I'll find him next to me

Next to me – ooh hooo (X3)
I will find him; I'll find him next to me

When the end has come and _____ falling down fast
When we've spoilt the land and dried up all the sea
When _____ has lost their heads around _____
You will find him; you'll find him next to me

Next to me – ooh hooo (X3)
You _____ find him; _____ find him next to me

Next to _____ – ooh hooo (X3)
You will find him; you'll find him next to me
Next to me – ooh hooo (X3)
