New York City Neighbourhoods ~ Upper West Side

One of the most famous and most frequently visited neighbourhoods in New York is the Upper West Side. It stretches from 59th Street and Central Park West to Riverside Park, and is considered by many to be the most typical Manhattan neighbourhood.

The Upper West Side has had many famous residents in the past, including a member of the Beatles, John Lennon, **A**, a big castle-like structure which borders the west side of Central Park.

With generations of high-profile tenants putting down roots in the Upper West Side, it's no wonder rents and real estate prices continue to rise! However, bear in mind the benefits of living in this charming neighbourhood. Elegant buildings, **B**, line the quiet streets and house the city's rich, intellectual and creative community. Many people are attracted by the suburban feel of the area, and it is especially popular with families, young professionals and actors.

Much of the area is protected by landmark status, **C**, It includes a jumble of chic spots, glamorous concert halls and the famous Lincoln Center for the Performing Arts where you can see fabulous theatre, ballet and opera productions. The famous Juilliard School of Music is also located in the Upper West Side, **D**

This area of New York is busy by day, with performers rushing to auditions and families taking strolls along the pavements. It is also an exciting place at night **E**

Don't worry about the kids because there are lots of things for them to do in this neighbourhood, too! The American Museum of Natural History is a fantastic place,

F, They can also enjoy a trip to the Children's Museum of Manhattan.

So, whatever you are looking for, you will certainly find it in the Upper West Side!
