

## 1. Write the correct number-

|         |          |         |             |          |        |         |          |
|---------|----------|---------|-------------|----------|--------|---------|----------|
| chicken | crackers | nuts    | bread       | beans    | cereal | oranges | fish     |
| rice    | oil      | carrots | butter      | potatoes | cheese | milk    | broccoli |
| lettuce | bananas  | apples  | blueberries |          |        |         |          |

|  |                                                                                   |                                                                                    |  |
|--|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|--|
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |

Drag the correct names

|       |        |                         |       |            |               |
|-------|--------|-------------------------|-------|------------|---------------|
| dairy | grains | Meat and other products | Fruit | Vegetables | Fats and oils |
|-------|--------|-------------------------|-------|------------|---------------|
