Puntaje evaluación 36 pts

Puntaje Obtenido

I.- Completa las siguientes series numéricas ( 2 pts. cada una)

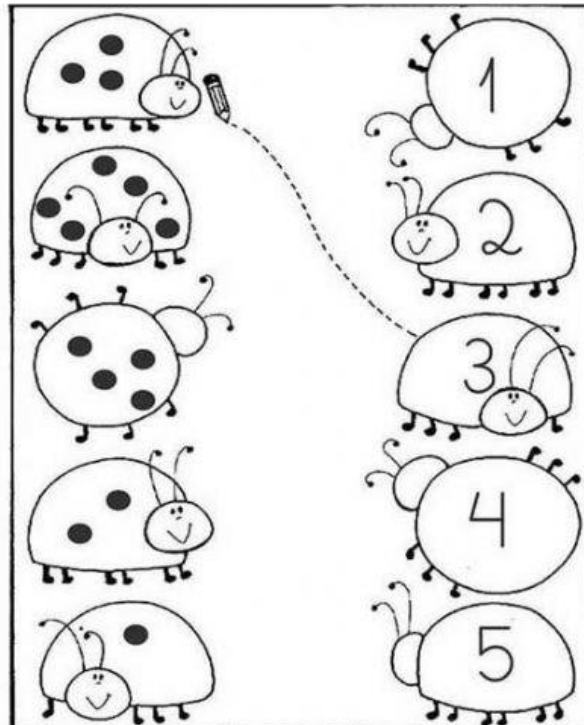

II.- Marca con una X el número **MAYOR** ( 2 pts. cada una )

|     |                                                                                     |                                                                                     |
|-----|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| 1.- |  |  |
|     | <input type="checkbox"/>                                                            | <input type="checkbox"/>                                                            |
| 2.- |  |  |
|     | <input type="checkbox"/>                                                            | <input type="checkbox"/>                                                            |
| 3.- |  |  |
|     | <input type="checkbox"/>                                                            | <input type="checkbox"/>                                                            |

II.- Marca con una X el número **MENOR** ( 2 pts. cada una )

|     |                                                                                                               |                                                                                                                |
|-----|---------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| 1.- | <br><input type="checkbox"/> | <br><input type="checkbox"/> |
| 2.- | <br><input type="checkbox"/> | <br><input type="checkbox"/> |
| 3.- | <br><input type="checkbox"/> | <br><input type="checkbox"/> |

III.- Cuenta cada punto de las chinitas y une con el número que corresponda. Sigue el ejemplo. (2 pts. cada una)

IV.- Resuelve las siguientes sumas. (2 pts. cada una)

|                                                                                   |   |                                                                                   |   |  |
|-----------------------------------------------------------------------------------|---|-----------------------------------------------------------------------------------|---|--|
|  | + |  | = |  |
|-----------------------------------------------------------------------------------|---|-----------------------------------------------------------------------------------|---|--|

|                                                                                   |   |                                                                                   |   |  |
|-----------------------------------------------------------------------------------|---|-----------------------------------------------------------------------------------|---|--|
|  | + |  | = |  |
|-----------------------------------------------------------------------------------|---|-----------------------------------------------------------------------------------|---|--|

|                                                                                   |   |                                                                                   |   |  |
|-----------------------------------------------------------------------------------|---|-----------------------------------------------------------------------------------|---|--|
