

A New Kind of Camping

< --- This is regular tent.
People use it to go camping.

This is a luxury tent --- >
People who don't like
regular tents rent these.

*When you rent a luxury tent you don't go camping - you go glamping!!!

The word glamping is new. It comes from camping + glamour.

*Listen to the audio below and answer the questions. Use complete sentences when you can.

1. Why do people like to go camping?
2. What are some of the problems people have in a regular tent?
3. Why do some people choose to go glamping instead?
4. What types of places can you stay if you go glamping?
5. What are some of the luxuries glamping has?
6. What is the least expensive glamping in the story and what is the most expensive?
7. Would *you* ever want to go glamping?
