A lot of people don't like Mondays, but I think it's a great day! I get up late because my lessons start at 10:00. I only have four lessons on Mondays, so I have a lot of free time in the afternoon. At home, I have dinner at 4:00 and then I do my homework. At about 5:30 I go out with my friends. I don't watch TV on Monday evening but sometimes I play computer games. I go to bed at 10:00 because Tuesday is a busy day for me. I don't like Tuesdays!
