1. Read this text and pay attention to how make The Earth a greener place. Then Write true or false.

There are three ways to make the Earth a greener place:

Reduce, reuse, recycle. When people **reduce**, It means they are using less of something. This means less waste. Turning off the water when we brush our teeth is a way of reducing. We don't waste water by doing this.

Reusing is to use the things we already have again. We can use re -usable shopping bags made of cloth instead of plastic bags when we go to the supermarket. Using both sides of the paper is also a way of reusing.

Finally, we can recycle. **Recycling** is to create new materials from old ones. Materials like papers, plastic and metal can be recycled. You can recycle the things likes newspaper, soda, cans, plastic container and magazines. If you want to live in a green and clean world, we must take care our world.
