Spinner Probability

Look at the spinners below and select if the chance of landing on a colour would be: **certain**, **likely**, **equal**, **unlikely**, or **impossible** to happen.

**2. What is the chance that you would spin green on this spinner?**

certain

likely

equal

unlikely

impossible

**1. What is the chance that you would spin orange on this spinner?**

certain

likely

equal

unlikely

impossible

**4.** What is the chance that you would spin **red** on this spinner?

certain

likely

equal

unlikely

impossible

**3.** What is the chance that you would spin **blue** on this spinner?

certain

likely

equal

unlikely

impossible

5. What is the chance that you would spin **purple** on this spinner?

2   1

3   4

certain

likely

equal

unlikely

impossible

6. Which colour are you more likely to get?

Blue

Green

Red

**7. Which colour is impossible to get?**

Blue

Green

Red

Purple

8. Which colour is unlikely to get?

Blue

Green

Red

Yellow
