Hi!

I'm Jacob and these are our family pets. Mia, the cat, is four years old. She's grey and white and she's got big brown eyes. Rufus, the dog, is big and brown. He's three years old. They are best friends!

I get up early in the morning and take Rufus for a walk before school. Dad takes him for a walk every evening after dinner.

Rufus loves running and he's fast.

Mia doesn't go out, but she often sits next to the window.

It's her favourite place because she can watch the birds in the garden. She sleeps a lot too. She sometimes sleeps on my desk when I do my homework. I often play with her in the evening before I go to bed.

1. How old is Rufus?

2. What color is Mia?

3. Does Jacob go out with Rufus in the morning?

4. Where does Mia sometimes sleep?

5. When does Jacob play with Mia?
