 We're all here for other, happy to
 All we have we
 And all of us we

So come on
 Welcome to our family time
 Welcome to our time
 We're happy for given an taken to the friends we're
 There is nothing we won't do

Welcome to our family time
 Welcome to our happy to be time
 This is the of all
 Ya' know the best of all
 We're here to it all

If there is a between us nobody can explain
 It's a celebration of life
 We see our again

 I know you'll be there for me too

So come on

Remember we love once we're parted
 Someone in your heart
 Finding love, heading a future
 Telling stories, and laughing with friends
 moments you'll never forget

This has to be the most
 The most place I've ever been to
 It's nothing like I've never seen
 When I think how far I've come I can't it, yet I see it
 When I see family I see the way we used to be

Come on
 Welcome to our family time
 Welcome to our time
 We're happy for given an taken to the friends we're
 There is nothing we won't do

So come on
 Welcome to our family time
 Welcome to our happy to be time
 This is the of all
 Ya' know the of all
 We're here to,
 We're here to it all!
