My habits and hobbies

1) Let's begin by reading these short texts about these friends. *Vamos a empezar leyendo sobre estos amigos.*

Hello! I'm Pablo. This is a picture of my friends Sara, Cande and Seba. Sara has got brown hair. She dances Tango once a week. Cande has got blond hair. She skates very well. Seba has got black hair. He doesn't skate or dance Tango but he always sings hip hop songs. We are good friends. We go swimming twice a week. It's very fun!

Important! Palabras de frecuencia: - *Once a week* significa "una vez a la semana".
- *Twice a week* "significa dos veces a la semana".

(Estas frases siempre van al final de la oración. Ej: He cooks *once a week*).

Otras palabras de frecuencia como *always*, *usually*, *never* y *sometimes* van después de la persona de la que hablamos y antes del verbo. Ej: He *never* cleans his bedroom.

You know you stopped me when I was passing by
And now I beg to see you just one more time

Ooh I see you, see you, see you every time
And oh my I, I your style
You, you make me, make me, make me wanna
And now I beg to see you dance just more time

So I say
Dance for me, dance for me, dance for me, oh, oh, oh
I've never seen anybody do the things you do
They say move for me, move for me, move for me, ay, ay, ay
And when you're done I'll make you do it all again
