

How to make a laundry?

When our clothes are dirty

it's time

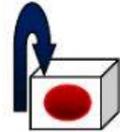

to do the laundry.

1

First, take the clothes

and put in

a laundry basket.

2

Then, take some detergent

and pour

into the cup.

Do not try to taste it,

it's a poison

Pour the detergent into the washer

3 Next, take the laundry **out**  of

the basket  and put into the washer. 

4 Close the washer's cover and turn **on**  the start button.

5 When you hear a buzz   your washer

turns **off** . Your clothes are washed, but wet   . Take them **out**  of the washer and put into a

dryer. 

6 Close the dryer and turn it **on**  When you hear the buzz   again, your dryer turns **off**  All done.
