How to make a laundry?

When our clothes are dirty it's time to do the laundry.
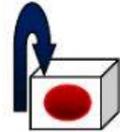

1 First, take the clothes and put **in** a laundry basket.

2 Then, take some detergent and pour into the cup.

Do not try to taste it, it's a poison.

Pour the detergent into the washer

3 Next, take the laundry **out** of the basket and put into the washer.

4 Close the washer's cover and turn **on** the start button.

5 When you hear a buzz your washer turns **off** . Your clothes are washed, but wet . Take them **out** of the washer and put into a dryer.

6 Close the dryer and turn it **on** When you hear the buzz again, your dryer turns **off** All done.
