# RULES

1 Read the text. Highlight the names in red and write them in the grid.

“Welcome to Hogwarts”, said Professor McGonagall. “Here, you are sorted into your houses. The Sorting is a very important ceremony because your house will be something like your family. You have classes with the rest of your house, sleep in your house dormitory, and spend free time in your house common room. “The four houses are called Gryffindor, Hufflepuff, Ravenclaw, and Slytherin. Each house has its own noble history. While you are at Hogwarts, your triumphs earn your house points, while any rulebreaking loses house points.”
