

## THE SKELETAL SYSTEM

206	baby	shape	muscles	bones	adult
-----	------	-------	---------	-------	-------

1. The skeletal system is made up of \_\_\_\_\_
2. We have \_\_\_\_\_ bones in our body
3. An \_\_\_\_\_ has 206 while a \_\_\_\_\_ has 300 bones
4. Our skeleton gives our body \_\_\_\_\_
5. Our \_\_\_\_\_ and bones work together to allow us movement
