Ryan Brown is ten years old. He lives in a big house in London with his father, Mr. Brown, his mother, Laura and his little sister, Claire.

His father is a bank clerk and his mother is a travel agent. Claire is a baby.

Every morning they get up early. At 7.20 Ryan has a quick shower. Then he goes to the dining room where they have an enormous breakfast.

The Browns go to work by car. Mr. Brown drives it. Ryan goes to school on foot with his best friend Mum and Claire stays at home with the baby-sitter.

At noon Ryan has lunch in the school canteen with his friends.

The Browns go back home after tea. Ryan does his homework and Laura works in the garden. Mr. Brown goes to the library. They have dinner at 7.30 p.m. They talk a lot during dinner. Then, they watch their favourite TV programme and they go to bed.

1. How old is Ryan?
2. Where does he live?
3. Does he live with his parents?
4. What time do the Browns get up?
5. How does Ryan go to school?
