

# MY SUMMER CAMP

My name is Laura. I'm from the United States. I am having fun at this amazing summer camp. Here, the weather is great, sunny and hot. I am happy because I am with my friends Vladimir, Li Yang and Francesco.

Vladimir is Russian. His favorite season it's winter. He loves the snowmen. Li Yang is Chinese. Her favorite season is fall because she likes the color orange. Francesco is Italian. His favorite landmark is the Tower of Pisa and he loves the spring because there are many flowers.

In the summer camp, we have to do a lot of activities. We have to pitch our tents. In the mornings, we have to wake up at 6.00 am and we have to make breakfast. In the afternoon, we have to go hiking and we have to make a concert. Li Yang has to sing, Francesco has

to play the guitar, Vladimir has to play the drums and I have to play the piano. At night, we have to build a bonfire.

I love this Summer Camp!
