

Always - Gavin James

What am I supposed to do without you?

Is it too late to pick the pieces up?

Too soon to let them go?

_____ you feel damaged just like I do?

Your face, it _____ my body ache

It won't leave me alone

And this _____ like drowning

Trouble sleeping

Restless dreaming

CHORUS

You're in my head

Always, always

I just got scared away, away

I'd rather choke on my bad decisions

Than just carry them to my grave

You're in my head

Always, always, always

Cracks won't fix and the scars won't fade away

Guess I should get used to this

The left side of my bed, an empty space

I remember we were strangers

So tell me what's the difference

Between then and now

And why _____ this feel like drowning?

Trouble sleeping

Restless dreaming

CHORUS

You're in my head

Always, always

I just got scared away, away

I know there's nothing left to cling to

But I'm still calling out your name

You're in my head

Always, always, always
