

Instrucciones

Para poder realizar esta prueba efectivamente el estudiante tuvo que haber estudiado en su casa como el docente lo indico con anterioridad para así haber reforzado lo visto en clase de inglés acerca de las emociones y todo el vocabulario que este tema abarca, ya que el propósito de la prueba es verificar que los estudiantes hayan adquirido el vocabulario acerca de las emociones, como se reflejan estas en un contexto, cual es el lenguaje corporal y facial de estas y como se refleja estas en el diario vivir, los cuales son los contenidos que se evaluará y todo será en inglés, el estudiante necesitará para el momento de realizar la prueba una hoja en blanco, un lápiz y un borrador para dibujar cuando le sea difícil de imaginar las descripciones de las expresiones faciales de las emociones, así podrá hacer mejor la relación imagen-texto, esta instrucción la dará el docente antes de empezar la clase, dando un ejemplo, el cuadernillo de preguntas se debe diligenciar con esfero, no se admite corrector, por lo que es esencial que el estudiante este seguro de su respuesta antes de marcarla. En dado caso que se implemente de manera online el estudiante deberá seleccionar la correcta respuesta indicando una X en la hoja de respuesta, La prueba es de selección múltiple, lo que significa que el estudiante deberá leer bien el enunciado y la pregunta para escoger la respuesta correcta, la prueba tiene una duración de 50 minutos, el estudiante deberá invertir 5 minutos por cada ítem. El docente contabilizará cuando empieza y cuando finaliza la prueba.
