

The background is a vibrant space scene. It features a dark blue sky filled with yellow stars. Several planets are visible: a green and yellow striped planet with a ring on the top left, a large brown planet on the top right, and a red and orange planet on the bottom right. Two blue and white rockets with red and yellow stripes are shown flying. A white circular path, resembling a celestial orbit, winds through the scene. Along this path, several cartoon astronauts are depicted. One astronaut at the top is holding a red flag with a white planet symbol. Other astronauts are floating along the path, some looking towards the center. The overall theme is space exploration and fun.

MY INTERACTIVE BOOK
