

Summer holidays

Hello! My name is David. Next week I will finish school. I always work hard and I do all my homework. First of all, I will go to the summer campsite. I will spend my time with my friends. I will swim in the river and in the beach. I love water sports and making sandcastles! In the evening, I will sing songs and I will play board games with my friends.

In July, I will travel to Paris with my family. I will need a big suitcase because I have a lot of clothes. Moreover, I will need my passport because I live in the USA. In Paris, we will visit the Eiffel Tower.

In August, I will visit my uncle and my aunt. We will go to the forest and we will swim in the lake. Also, I will read some books and practice maths.

He will sing
songs in Paris

TRUE

FALSE

He will finish
school next
month
