# Figuras planas e não planas

Isabella precisa de ajuda para organizar figuras geométricas PLANAS e figuras geométricas NÃO PLANAS. Você pode ajudá-la?

Faça um X apenas nas figuras geométricas NÃO PLANAS.

Escreva o nome das figuras geométricas não planas.

An empty rectangular label with a black double-line border and four circular punch holes, one in each corner.An empty rectangular label with a black double-line border and four circular punch holes, one in each corner.An empty rectangular label with a black double-line border and four circular punch holes, one in each corner.An empty rectangular label with a black double-line border and four circular punch holes, one in each corner.An empty rectangular label with a black double-line border and four circular punch holes, one in each corner.
