### The Emperor's new clothes

#### a) Read the story

1. This is the story of a silly emperor. He has got a lot of clothes. He is always in front of the mirror and has not got time for his people. He isn't a very good Emperor.

2. One day two thieves arrive in the village. They want to play a trick to the Emperor. They tell him: - We are two good tailors. We can make a very beautiful suit for you! A special suit, too! The fabric is invisible. Only intelligent people can see it.

3. The emperor believes to the two thieves. He is excited. -Make this suit for me immediately! Then the emperor gives them a bag full of gold coins and he invites them to remain in the royal palace. The two thieves are happy: they can live in the royal palace while they make the suit.

4. Every day they pretend to cut and sew

After some days, the Prime Minister goes to the two thieves, but he doesn't see the suit. He is very shocked! But the two men say: -Look at the thread and the fabric! The Prime Minister is very embarrassed and says: -I don't see anything!

5. Every day the Emperor sends different people to look at the suit. They go and say to the emperor: -It's a very beautiful suit! The two thieves laugh and laugh. They go to the emperor and ask him more fabric and thread and so he gives them other gold coins.

6. One day the emperor orders to look at his suit. The two thieves arrive to the emperor's bedroom. -Here is your new suit! But the emperor can't see it. -Only intelligent people can see it, he thinks -All my servants can see it and they say it is beautiful.

Then he asks to the thieves: -Can you help me put it? The thieves pretend to help the emperor.

They answer: -First, take off your clothes, the trousers, the jacket, the tie and the belt.  
The false tailors say: -Wonderful! The fabric is very light!

7. When the Emperor goes outside the palace, everybody in town looks at him. They are surprised and nobody speaks. -Look! He isn't wearing any clothes!  
People start laughing. But the Emperor doesn't run inside. He is too proud. He continues walking. After the parade he returns to his palace and puts on his clothes, not the new one!
