

# ROAD SAFETY

## 1. READ, DRAG AND DROP.

You must wear a helmet everytime you ride your bike.

When the traffic light is red, we must stop.  
When the traffic light is yellow, we must slow down and wait.  
When the traffic light is green, we must go.

We must put our seatbelt on when we are travelling by car.

At the zebra crossing:

- stop
- look left
- look right
- look left again
- cross the road
