

## Homographs

**Homographs** are easy to remember if you think of your Greek roots.

**Homo** means "same." **Graph** means "write." So homographs are literally two words that are written exactly the same way, but have different meanings and sometimes different pronunciations.

Write the homograph that completes both sentences. Use the words in the box to help.

second      bat      lead      row      tear      contracts      evening      bow      fine      wound

1. Tie a \_\_\_\_\_ to finish wrapping the present.

Take a \_\_\_\_\_ when you finish your performance.
