 Use the graphic organizer to plan your holiday

The graphic organizer is a circular diagram with a central circle labeled "Country name" containing a globe icon. Six surrounding circles are connected to the center by lines. Each surrounding circle has an icon and a label: "Places" (location pin), "Hotel name" (hotel building), "Shopping" (shopping bag), "Food" (fork and knife), "Transportation" (car), and "Entertainment" (movie clapperboard). Each of these six surrounding circles is connected to a rectangular text box with a matching label and icon. The text boxes have dotted lines for writing.
