

# READING COMPREHENSION

Hello third grade!

Yes, it's me! I'm Kevin!!

Your teacher told me that you like English and I'm very happy! So, I'm going to ask you a few questions about me... Are you ready?

As you know my name is Kevin and I am eight years old.

I live in New York with my friends and with my dad Gru. He is a good person but Gru is always sad, because my friends and I are a little bit naughty.

I like fruits and I eat bananas every day and ice-creams, too.

I don't like lettuce and spicy food, but my friend Stuart loves it.

Gru likes sweets and popcorn but he doesn't like vegetables.

Gru and I don't like doing exercise but we like watching TV.

SEE YOU SOON
