

Part 2: Read each scenario below the box with your partner. Determine if the scenario is safe or unsafe and drag the scenario piece to the correct side of the table. (Place your mouse on the box of what you want to drag. Click and hold to drag the box to the Safe or Unsafe box.)

Safe to do	Unsafe to do

I can tell an adult if I feel uncomfortable online.	I can use a nickname instead of my own name.	I can tell people that I am 9 years old.	I can share that I like to play soccer.	I can share my dogs name online.
I can help my friends learn about technology.	I can share my first and last name online.	I can tell people where my house is located.	I can go to websites adults have said I can't go on.	I can let my friends use my username and password.
