HELLO! My name is Timmy I am from Texas, USA. I am 21 years old and I study science at University. When I am not studying, I like doing other activities.

I am going to tell you about my hobbies and the activities my friends and I enjoy doing. We all have different hobbies. I love singing and listening to music. We all like going to the cinema together. Sometimes we watch a movie at someone's house. My friend Lucy plays the piano. She is really good. I play the violin. My sister Elena doesn't like listening to me so she stays in her bedroom and plays video games.

Elena is my little sister; she is 20 years old. She likes movies as well, sometimes we watch some horror movies together.
