Subject: Mathematics

Count. Then, complete the tally chart.

| object                                                                                       | tally | total |
|----------------------------------------------------------------------------------------------|-------|-------|
|  dog        |       |       |
|  car        |       |       |
|  rabbit    |       | 20    |
|  recorder |       |       |

Use the tally chart to answer the following questions.

1. There are \_\_\_\_\_ dogs.
2. There are \_\_\_\_\_ cars.
3. There are \_\_\_\_\_ rabbits.
4. There are \_\_\_\_\_ recorders.

5. There are \_\_\_\_\_ more rabbits than cars.

6. There are \_\_\_\_\_ fewer recorders than dogs.

7. There are \_\_\_\_\_ fewer dogs than cars.
