

Health Problems

Write the health problem illustrated by the pictures.

Give a piece of advice to the people from the first exercise. Write should, shouldn't or had.

1 You	go to physical therapy.
2 You	better rest and take your remedies.
3 You	eat shrimps again!
4 You	gargle and buy cough syrup.
5 You	go to the dentist and eat so many sweets.
6 You	play football when it is raining.
7 You	better stay in bed and take an analgesic
8 You	drink cold water and go to the toilet.
9 You aspirin	stress that much when having exams. You better take an
