

Elvis Presley: Always On My Mind

Maybe I didn't you
Quite as good as I have
Maybe I didn't you
Quite as often as I have
Little things I have said and done
I just never took the

You were always on my mind
You were always on my mind

Maybe I didn't you
All those lonely, lonely times
And I guess I never you
I'm so happy that you're
If I made you feel second best
Girl, I'm so I was blind

You were always on my mind
You were always on my mind

Tell me, tell me that your sweet hasn't died
Give me, give me one more
To keep you satisfied, satisfied

Little things I have said and done
I just never took the time

You were always on my mind
You were always on my mind
You were always on my mind

Maybe I didn't you
Quite as good as I have
Maybe I didn't you
Quite as often as I have
Maybe I didn't hold you
All those lonely, lonely times
And I guess I never told you.....
